

CPAC Term 2 General meeting
Jan 30, 2019
7 pm Carisbrooke Elementary Library

George called the meeting to order 7:11

Questions regarding minutes from the last 2 meetings + budget

Approved minutes from last meeting

Review for the year so far

Couple of MOC funded events

- safety vests for kindergarten
- planner bags
- transportation for school events
- improving Carisbrooke newsletters
- Fun lunch reminder emails?

After school activities

- rough start at the beginning due to scheduling issues
- Victoria's found several new programs
- issue with the North Vancouver municipal district to have intermediates to go to Princess Park to ride the trails
- attendance good, filled almost all activities
- Cooking and baking class most successful

Vice Principal School update

- Volleyball grade 6 & 7
- Athletics: traditionally boys: Monday after school, girls: Tuesday after school
- Track and Field: after spring break
- PE - volleyball term
- Pro Day: indigenization of curriculum
- Zones of regulation having kids articulate and communicate their feelings
- Currently 'downtime'
- Fun stuff begins after spring break
- Term 2 12 weeks.
- Lots of academics for grades 6 & 7's - design challenges
- Out of school presentations for grade 7's: safe teens

Question regarding report cards

- Report cards are missing the feedback piece, just goals and families not seeing any meaningful feedback
- GP: the ministry changed the curriculum they didn't change the reporting/assessment
- had a 2 year window to adjust with what is or is not working
- with feedback , went back to ministry
- now doing the same with the assessment - have 2-3 year window to adjust
-
- **this May or June** parents will be given the opportunity to provide feedback again
- Stay in communication with the teacher to get more depth

- This is still a pilot program - there will never be letter grades again, this is our version
- reporting for K-9 will be the same province wide
- seniors will be different

Social Events for remainder of term

- Feb 22nd Parent Pub night
- March 12 Family Ice skate

Fun Lunch

- Trial: Foodie kids
-
- concern that some families will not be able to afford it, will it exclude people?
- 3-day trial to see feedback on food, quality of service and price
- prices set to see uptake and whether can be adjusted up or down
- garbage impacts
- compassion funds from PAC to make sure kids aren't excluded
- potentially send reminder fun lunch email reminding garbage goes home
- cutlery not provided - look into compostable cutlery
- drop off 11:30-11:45 in lobby: need 3 or 4 delivery volunteers
- adding hot dog days to special events. i.e. pajama days, christmas concert days, Halloween etc
- Can class reps send out a monthly email asking for volunteers and a sign up genius

Meeting adjourned 8:11
